La Selva makes a terrific Ciliegiolo that is tonic, punchy and racy throughout. Sadly, only 2,000 bottles were released, so this wine may prove difficult to locate. The organic 2019 Maremma Toscana Ciliegiolo Satus shows aromas of dark cherry, pressed raspberry, white pepper and lavender sachet. This easy red finishes in barrique for eight months, and this adds to its roundness and subtle structure.

Fruttato al naso ricorda di frutta fresca come pesche tabacchine e mele croccanti. In sottofondo, fiori come ibisco e tiglio. Al palato, corpo medio-pieno, tannini morbidi ed un finale leggermente amaricante ma di buona finezza e leggiadria.

Fruity on the nose reminiscent of fresh fruit such as flat peaches and crunchy apples. In the background, flowers such as hibiscus and linden. On the palate, medium-full body, soft tannins and a slightly bitter finish but of good finesse and grace.

Ciliegiolo in purezza al profumo di ciliegie mature e spezie; elegante in bocca, con molta lucentezza e succosità, acidità concisa, finale lungo su note di drupacee e liquirizia.

Reinsortiger Ciliegiolo, der nach reifen Kirschen und Gewürzen duftet; im Mund elegant, mit viel Schliff und Saftigkeit, prägnanter Säure, langer Abgang auf Noten von Steinobst und Lakritze.

100% Ciliegiolo with the scent of ripe cherries and spices; elegant in the mouth, with a lot of brightness and juiciness, concise acidity, long finish with notes of stone fruit and licorice.
